GRAFFITI FREE NYC

THE MOST
SUCCESSFUL
GRAFFITI
REMOVAL
PROGRAM IN
THE CITY

We're Giving Graffiti the Brush-Off!

New York City Economic Development Corporation (EDC) is proud to introduce the Graffiti Free NYC program to your neighborhood.

Before

After

- Under EDC's management, an estimated **15 million square feet of wall space** is cleaned each year, making it the most successful graffiti removal program in the City.
- The program began in Brooklyn in November 1999, and has since expanded to the Bronx, Queens and Staten Island. **Graffiti Free NYC** is improving the quality of life throughout New York City.
- A fleet of 10 fully equipped trailers is available to eliminate graffiti from commercial, industrial and residential properties at no cost. Each trailer is capable of eliminating 1.5 million s.f. of graffiti per year.

Join us in the initiative to eliminate graffiti.
Contact EDC today for more information or to
dispatch the free services of Graffiti Free NYC at:
