**\*Beach Clean Up 9 am-Noon:** Last spring we filled a 30 cubic yard dumpster and thoroughly cleaned the beach! The trash is back. We need your help to restore the shoreline and get it ready for....

**\*Free Kayaking in the East River Noon-3 pm:**

Come give it a try and enjoy your river. Anyone who picks up some trash is welcome to try some fun & free kayaking on the upper East River. Never kayaked? Not to worry. Experts from the LIC Community Boathouse will be on hand.

**\*Rain Barrel Workshop**

**Lunchtime (11:30 am- 12:30 pm):** Learn how to install a rain barrel on your property to capture rainwater and use it for your garden. Start saving money on your water bills while preserving our precious water resources.

**\*Seagrass and Oyster Restoration** Throughout the day:

Join Dr. James Cervino in a hands-on field ecology session to restore seagrasses and regenerate oyster populations using a unique and successful solar-powered growth technique.
